Meal Cards

The dining service uses part of a campus-wide computer network for its meal card system. The cards are not transferable and are to be used only by the person to whom they have been issued. Meal cards are required to be shown at each meal or purchase. Selection of a Campus Dining Services Meal Plan entitles you to a Meal Card, which allows you purchasing power equivalent to the plan you have selected. Lost or stolen Meal Cards can be replaced. Should this happen, you should see Student Affairs.

Seconds Policy

You never have to be too shy to ask for seconds with our Campus Dining Program. Our generous policy allows for a second helping of many menu favorites. All you have to do is ask!

Dietary Needs

Do you have particular dietary needs? No problem! Our Campus Dining Services Program can accommodate your special dietary requirements. For more information, please call 423.636.7309 or email mdubose@tusculum.edu.

Dining Policies

One of our main goals is to provide a pleasant, clean, comfortable and satisfying dining experience. In order to meet this goal, we ask for your assistance with the following procedures:

Please bus your tray and disposables from your table when you have finished dining. Please refrain from taking food, dishes or utensils from the dining area. Remember that Meal Cards are non-transferable and cannot be used by anyone but the purchaser.
